

Soles4Souls Shoe Drive

Lexi Bunting, a senior at Cape Hatteras Secondary School of Coastal Studies, is collecting shoes for her school project. All CHSS/CS seniors must complete a course in career management. Lexi is interested in a career in event planning. For her project, she must plan and complete an event of her choosing. Lexi has chosen to plan a charitable event, working with Soles4Souls.

Soles4Souls is a Nashville based charity that collects shoes and distributes them free of charge to those in need. Since 2005, Soles4Souls has given away over 5.5 million pairs of shoes in over 125 countries. Lexi has been working with Soles4Souls planning this event for a few weeks and says that "Due to the recent earthquake, the shoes I collect with this project will go to help Haiti".

Cape Hatteras Electric Cooperative is proud to be a drop off location and support Lexi with her project. Stop by today and drop off those gently worn shoes (tennis, flip flops, boots, even heels) that you never seem to wear. Those shoes collecting dust in your closet could really make a difference in another person's life. This event runs from February 22 through March 31.
