

BIDS ACCEPTED FOR SCRAP WIRE

CHEC is now offering the public the opportunity to bid on its scrap aluminum and copper wire. Bids on scrap wire will be due by 4:00pm on the first business day of every month. The winning bid will then be notified by noon of the following business day. After notification, the winning bidder will have two business days to pay for and remove the wire.

To view the wire and make a bid, contact CHEC at 252-995-5616 and ask for the Warehouse Department.
